

PORTLAND PUBLIC LIBRARY'S TECHNOLOGY TEAM PRESENTS

Facebook for Seniors

Connect with your children, grandchildren, and friends.

This 3-part workshop will cover building a Facebook account, privacy settings and advanced settings like uploading videos and sharing web links.

**Mondays—Feb. 6th, 13th & 27th
1–4pm, Meeting Room 5
Portland Public Library
5 Monument Square, Portland**

**Space is limited and participants must register in advance for all 3 workshops.
Please call 207-871-1700 ext. 708 or stop by the Public Computing Desk.**

Made possible by a Broadband Technology Opportunity Program (BTOP) grant awarded to the Maine State Library which provides 107 libraries statewide the opportunity to enhance or establish public computer centers, broadband access, and information training to our community. Portland Public Library is also one of 11 libraries in the BTOP program statewide to become a video conferencing regional hub which will allow the Library to enhance training for librarians and patrons via a video conferencing unit.
